15. **Enjoyment of All** – Low Farm Camping is proud to provide a peaceful and enjoyable space to enjoy outdoor living. We expect all guests to be respectful and considerate of others' space, ensure their behaviour is not offensive to others (including excessive swearing that can be overheard by minors), that music and other noise is reasonable and ceased strictly at 11pm, and

that Low Farm Camping staff are strictly respected, if any matters of conduct are addressed. Consistently poor behaviour and failure to respect instructions of Low Farm Camping staff, will result in one or all of your party being instructed to leave the site.

16. **Minors** (children and young adults under 18) - It is expected that all guests will allow for the peaceful use and enjoyment of the site by their fellow guests. We ask that adults encourage the responsible behaviour of minors in their care, ensure they are appropriately supervised and are not disturbing other guests. Low Farm Camping reserve the right to charge the responsible adult for the pitch to compensate Low Farm Camping for any damage attributed to malicious behaviour of minors in their care, or request the entire party vacate the site.
17. **Fire safety and BBQ use** – It is the responsibility of all guests to be responsible in their use of open flames and BBQs. All fires must be in an appropriate and durable container, **not on the ground**. Fires should be in the open, and away from trees, bushes and long grass that may catch alight. Accidents can happen quite easily outside and in windy conditions, so make certain the fire container or BBQ is stable, away from draughts and in an area where they will not get knocked over. Keep anything flammable (including fire fuel) a distance away from the open fire area. Keeping a bucket of water or sand handy is strongly advisable to deal with a fire that gets out of control.
18. **Activities and Play** – While we wish for all guests to enjoy their time and activities at the site, we cannot support certain activities due to their continued interference with an enjoyable shared space. Water guns, hoses, sprinklers and any other form of water projectile play are not permitted. We encourage family sporting activities to be played in communal areas that do not interfere with the pitch space of other guests.
19. **Pets** - We are pet friendly and allow dogs to accompany their families. For the safety of guests and staff, however they must be on leads and within the owner's control. We take seriously the responsibility of owners to clean up after their pets and failure to be respectful to other campers in respect of your pets may lead to your party being asked to leave the site.
20. **Vehicles** - There is no charge for parking. We ask that for security purposes, vehicle registration numbers are listed on the Booking Form. **All vehicles are restricted to 5 m.p.h. on the site** for the safety of all. Due to the serious safety implication, this is strictly enforced and failure to comply with this rule will result in the offender being refused permission to bring their vehicle onto the site.
21. **Liability** - It is an implicit condition of booking that Low Farm Camping and its' owners are relieved of any responsibility for any personal injury, loss or damage, which may be sustained by the guests or their property including vehicles, whether such loss or damage is caused by negligence of the owners, their servants' omission or otherwise of Low Farm Camping.
22. If a guest is in **breach of** any of the **conditions** or if, in the opinion of Low Farm Camping, any party is guilty of behaviour or conduct prejudicial to the well-being of others, Low Farm Camping may request the immediate departure of one or all of the booking party without refunding money in respect of the unexpired portion of the booking.
23. **Departure** - When vacating the pitch after use, it is expected that guests will leave the pitch as they found it. Domestic waste disposal areas are available, and any non-domestic waste should be removed by the pitch occupants (for example broken tents, BBQs and chairs). On the rare occasion Low Farm Camping will need to clear a site after vacation, Low Farm Camping reserves the right to charge the responsible adult for costs associated with the clearance and disposal of any waste.
24. **COVID Related Closure of the Site** – In the event that Low Farm Camping is unable to open by Government restriction, we will offer a full refund. This will be provided within 5 business days of the notification to you of the cancellation of your reservation, and will require you to provide appropriate deposit details in reply to the sent cancellation.
25. **COVID related illness** – If during your stay, you or a member of your family become unwell with Covid symptoms and must leave to self isolate, the remaining days of your stay will be offered as credit for a return visit.
26. **Service interruption during the period of booking** - In the event any or all of the essential services (water or electric) offered are unavailable at the time of the booking period or during the booking period, refunds will be discussed on an individual basis in respect of the booking.
